Cornice Fall, North Madison Range

NORTHERN MADISON RANGE
Northern Madison
4/10/2023
Code
WS-N-R2-D2-O
Elevation
9800
Latitude
45.29520
Longitude
-111.41000
Notes

From email: "This afternoon en route back to Livingston from Idaho, lots of slide activity at all elevations…

The first picture is the cornice collapse. One block in the debris pile was probably the size of my airplane - a giant ass snowball."
