Natural avalanche on the lawnmower

Date
Sun, 02/11/2024 - 08:00

From IG message: “It looks like the lawn mower up north deep creek slide full path. Looking through Bino’s from the valley it looked fairly fresh. Multiple fracture lines up at the starting point. I assume it went naturally”

Region
Out of Advisory Area
Location (from list)
Lawn Mower - Town Hill
Observer Name
Brock Decampli
