Submitted by Doug Chabot on Mon, 12/02/2019 - 11:56

We recognize that backcountry skiing can be daunting to approach. That's why Ben Goertzen and the Friends of the Gallatin National Forest Avalanche Center have teamed up to help breakdown some of the most prominent barriers of entry to backcountry skiing through this campaign. One lucky winner will be given a complete backcountry skiing kit, a spot in an avalanche awareness course, and featured in a three part video series that ends with an excursion into the backcountry with professional skier and filmmaker, [Ben Goertzen](#). These videos will be used by the Friends of GNFAAC to help other aspiring backcountry skiers gain awareness, knowledge and start to breakdown their barriers to entry.
